These were the first Australian Canoe Championships to be held in Brisbane. They were at the beginning of what has developed into the wettest April on record - so much for Sunny Queensland. At least the rain was warm and the K4s finished before great lumps of hyacinth swirled down stream.

It was most unfortunate the electronic media did not manage to appear. I'm sure they missed interesting footage at the portages, from the 5 bridges, or even paddlers collapsing from exhaustion (for the ghouls). They were notified by letter and 'phone, but not by grog! For the World Championships in 1992, seasoned drinkers will have to be delegated to keep the media on side!

I believe the course was fair and the competition fierce, even in the Mixed TK2 45s.

I would like to thank all of those 'volunteer' workers for the weekend, their efforts are very much appreciated.

Also on the thank-you list are -

Ashgrove Sports Injuries Clinic	Rosco
Brisbane City Council	Sylyn
British Petroleum	W'side Stationery
Goodtime	Toowong Rowing Club
Old. Govt. Div. of Sport	W.I.C.E.N.
